Summer 7 part 3

2020

If you would like to do something for wildlife in the holidays you can take part in a butterfly count. *When the national team from Learning Through Landscapes came to meet at our school for the Polli:Nation project, they brought the national lottery award to show us. You helped to show our guests round the school grounds.*

*The Hen House ran a stall at St. Mary's Christmas Fair to raise money to pay for the upkeep of our hens.*

You have helped to introduce and care for our hens.

You started the Hen House business venture that has paid for the upkeep of our flock.

Well done Year 6 keep up the good work of looking after our natural world.
