

## **SPACEMAN**

If I was an astronaut, I'd be floating in mid-air  
And a broken heart would just belong to someone else down there  
I would be the centre of my lonely universe  
But I'm only human, and I'm crashing down to earth

If I was an astronaut, I'd have a bird's eye view  
I'd circle 'round the world and keep on coming back to you  
In my floating castle, I'd rub shoulders with the stars  
But I'm only human and I'm drifting in the dark

### **CHORUS**

**I'm up in space, man  
Up in space, man  
I've searched around the universe  
Been down some black holes  
There's nothing but space, man  
And I wanna go home**

If I was an astronaut, I'd speak to satellites  
My navigation systems, would search for other life  
But I'd be up here thinking, 'bout what I left behind  
'Cause I'm only human, with the real world on my mind

### **CHORUS**

Gravity keeps pulling me down  
As long as you're on the ground, I'll stick around  
Stick around, I'll stick around

### **CHORUS**

I'm up in space, man  
Up in space, man  
Up in space, man  
I've searched around the universe  
Been down some black holes  
There's nothing but space, man  
And I wanna go home.
