

## LEVITATING

If you wanna run away with me, I know a galaxy and I can take you for a ride  
I had a premonition that we fell into a rhythm  
Where the music don't stop for life

Glitter in the sky, glitter in my eyes, shining just the way I like  
If you're feeling like you need a little bit of company  
You met me at the perfect time

You want me, I want you, baby  
My sugarboo, I'm levitating  
The Milky Way, we're renegading  
Yeah-yeah-yeah-yeah

### CHORUS

**I got you, moonlight, you're my starlight  
I need you all night, come on, dance with me  
I'm levitating  
(x2)**

I believe that you're for me, I feel it in our energy, I see us written in the stars  
We can go wherever, so let's do it now or never, baby, nothing's ever, ever too far

Glitter in the sky, glitter in our eyes, shining just the way we are  
I feel like we're forever every time we get together  
But whatever, let's get lost on Mars

You want me, I want you, baby  
My sugarboo, I'm levitating  
The Milky Way, we're renegading  
Yeah-yeah-yeah-yeah

### CHORUS

You can fly away with me tonight, You can fly away with me tonight  
Come on let me take you for a ride, Yeah-yeah-yeah-yeah  
(x2)

You want me, I want you, baby  
My sugarboo, I'm levitating  
The Milky Way, we're renegading  
Yeah-yeah-yeah-yeah

### CHORUS
