## **STARS OF THE WEEK:**

22<sup>nd</sup> September 2023

**Bees.** Mason: Mason has had a phenomenal start to school. He comes in every day and is a shining example to everyone around him. He always tries his hardest on everything he does, and he is working so hard already on his phonics. Well done Mason!

**Butterflies.** Myla: Myla has had such a great week, especially in phonics. She is focussed and joining in brilliantly. She is recognising lots of phonemes and is trying hard to segment and blend the words. Well done, Mila!

**Squirrels.** Freddie: This week's star in Squirrels is Freddie, for working so hard in his phonics lessons. He is sitting beautifully, putting up his hand to answer questions and read words and generally being a superstar in his group. We have seen a big improvement in his knowledge of GPCs and his ability to blend unknown words. Well done, Freddie, keep it up.

**Frogs.** Charlie A: Charlie has settled into Frogs class and has really come into his own this week. He has been giving a lot of thought in English and this has led to some lovely sentences about the castle in our story. Well done, Charlie, keep up the good work!

**Mice.** Eva is our star of the week: She had a quiet start to the term but has really found her voice in class and she makes a positive contribution to every lesson. She has been spotted by Miss Dalling in PE and has represented our school at Carlton Forum. Well Done, Eva

**Hedgehogs.** Annie: Annie has been a superstar since starting back at school. She is kind, polite and thoughtful and always tries hard in everything she does! She is a wonderful member of our team, and I can't wait to see how her hard work progresses this year.

**Moles.** Islay: Islay has been a super star all week, she has worked hard during lessons, been on task and been kind and respectful to everybody in the classroom. She is being very resilient and trying her best throughout the day. Well done, Islay!

**Rabbits.** Esmay: Esmay was an absolute superstar on our trip yesterday. She was a fountain of knowledge sharing lots of facts she had remembered about the stone age, always with her hand up to answer questions and showing her best behaviour! We are very proud of you Esmay!

**Badgers.** Felix: Felix has come back to school with a positive attitude to learning and is pushing himself out of his comfort zone to have a go at tasks.
