**Head Teacher: Mrs Barbuti**

**STARS OF THE WEEK:**

29th September 2023

**Bees.** Radhika: Radhika has had a wonderful week in Foundation Stage. She is such a helpful girl, and she is always there to help the grown-ups or her friends. We have been so proud of you this week!

**Butterflies.** Anna: You have been a wonderful role model and member of Butterflies this week. You always look after others, are polite when you speak and your concentration in focussed sessions is fantastic. You are a well-loved Butterfly!

**Squirrels.** Liam: This week Liam has been impressing us all with his concentration and effort. He has listened carefully and shown lots of independence when completing our written tasks. Super use of his phonics to spell words and great ideas related to the characters in our story have put a big smile on his face as well as ours! Well done, Liam.

**Frogs.** Milan: For working hard in his reading and phonics. Milan has been working on maintaining his concentration during all of his lessons and has been resilient when he has found challenges difficult. Well done Milan, keep up the good work!

**Mice.** Evie: Evie is one of our amazing always children. She always sets a great example with her attitude, behaviour and work ethic. This week she has really impressed in English where she has used some great vocabulary in our little Red Riding Hood short burst writing.

**Hedgehogs.** Bella: I have noticed a real drive in Bella, she is keen to finish her work, always keen to add more to make it even better and is gaining confidence to share her ideas on the carpet! Keep it up Bella it is super to see.

**Moles.** Joseph: Joseph has been very enthusiastic about learning throughout the week! He has been consistently contributing, participating, and helping others in the classroom. Well done, Joseph!

**Rabbits.** Priyansh: Priyansh has really impressed us in class this week with his participation and his concentration. He is always ready to learn and has lots of ideas to share. Thank you, Priyansh.

**Badgers.** Ava: Ava has really embraced Year 4 and is off to a flying start. Her increased confidence in maths and English is wonderful to see and she is actively contributing to class discussions. Well Done!

"Together, we will make a difference."

**Foxes.** Tom: Tom is making excellent contributions in class during every lesson. He has superb ideas and has produced wonderful writing this week. In Maths, Tom always enjoys a challenge, and reflects on his learning well. Keep it up Tom.

**Kingfishers.** Eliana: Quite unexpectedly, Eliana became our third-class teacher in reading this week! She challenged the whole class to answer a question about our text, which led to an engaging discussion about the author's choice of repetition throughout the story. Eliana consistently demonstrates an ability to 'dig down' into texts, with excellent observational and analytical skills. Eliana is resilient because she sets herself personal challenges and is determined in finding solutions. Well done, Eliana!

**Owls.** Saoirse: You have seriously impressed me in English this week! Your creativity has shone through, and you have come up with some lovely (yet sometimes creepy) ideas for you writing, based on our class text- Magwitch. Well done, Saoirse!

**Kestrels.** Lacey: Lacey has been absolutely amazing this week. She has grown in confidence especially in maths and really tried hard at all tasks given to her. The year 6 team are proud of her and her attitude towards learning.

**Sparrow Hawks.** Arjen: Has made a fantastic start to Year 6 and has greatly impressed the Year 6 staff. Not only is he achieving great results in Maths, but so too is he answering questions and he is producing wonderful work for our World War 2 history topic and our science topic. His general knowledge is truly outstanding!
