**Head Teacher: Mrs Barbuti**

**STARS OF THE WEEK:**

8<sup>th</sup> December 2023

**Bees.** Mallory: Mallory is an absolute super star. She always tries her hardest with everything we ask of her. She is always so helpful and is always the first person to lend a hand when we need anything doing in class. Mallory has been showing great creativity in her dancing for our Nativity production.

**Butterflies.** Vinnie: Vinnie has had a great week and has been trying so hard in everything that he has been doing. He has been completing so many independent jobs and has been focussing hard in phonics and Maths. We are proud of how hard you have been trying over the past few weeks Vinnie. Well done!

**Squirrels.** Henry: This week Henry has been full of enthusiasm for our writing of instructions and for our singing. He has had a super week where he has shown us his understanding in all lessons and impressed us with some of his knowledge about seasons and the world around us. Keep up this effort, Henry. You are making us very proud.

**Frogs.** Mozdalafa: Mozdalafa has only been with us for a few weeks, but has made a tremendous start to Year 1, well done!

**Mice.** Lex: Lex was astounding, amazing and astonishing in English. His vocabulary was a joy to hear. He spoke of stockings waiting, of flames dancing and tumbling swirling snowflakes. It was a joy to listen to his wonderful ideas. Thank you, Lex.

**Hedgehogs.** George: George has been impressing lots of adults with his fabulous reading this week. He has been so super and read to a range of different adults this week. I love seeing how proud he is of his achievements. He has also been on fire with his Maths work too! This has been a great week for George.

**Moles.** Maizie: Maizie has had an excellent week; she has been hard at work in all lessons across the board. She is always contributing during lessons and setting a great example to other children as well as always being a very enthusiastic learner.

**Rabbits.** Oliver B: Oliver has really impressed us this week with his resilience. He has been working really hard in both English and Maths, answering questions and putting his hand up. He has also impressed many adults with his reading this week – moving up a colour band to show all of his hard work! Keep it up Oliver!

"Together, we will make a difference."

**Badgers.** Theodore: Theodore keeps going from strength to strength in the classroom and is showing wonderful determination and hard-working attitude. He's always willing to try something new, and always puts lots of effort into his work. Well done!

**Foxes.** Eldho: Eldho is becoming so much more confident in class. His writing is coming on brilliantly and he is trying hard to answer questions in lessons. He went to the Dodgeball competition and did amazingly well! We are really pleased with how much effort Eldho is putting in. Well done!

**Kingfishers.** Finley: Finley thoroughly deserves to be our star of the week as he's demonstrated amazing teamwork skills during his P.E lessons. This includes showcasing some great movement in dance, using space and formation techniques.

**Owls.** Hugo: Hugo has been extremely creative with his Awesome Author's task this week. He has shown a real passion for persuasive writing and imagined up a Winter Wonderland destination that I for one wish was real! I would be booking my flight! Well done, Hugo.

**Kestrels.** Scarlett: Scarlet has been a super star in all her work this week. She has such a hard-working attitude and shows such determination. I know I can rely on her to always give 100%.

**Sparrow Hawks.** Leana: Leana's work is detailed, meticulous and beautifully presented. She always does her best and has achieved great results in her Y6 assessments due to her focus and attitude. Fantastic Leana, well done!
