**Head Teacher: Mrs Barbuti**

## **STARS OF THE WEEK:**

19<sup>th</sup> January 2024

**Bees.** Esme: Esme has had an amazing week in Bee class. We have noticed her in every session – joining in and giving it her all. She always tries hard and wants to do well. Esme has also been a super star in our environment and has been helping us keep our classroom clean and tidy. Esme has been a real example to everyone in our class this week. Keep it up – we are so proud!

**Butterflies.** Oakley: Oakley has had a lovely week in Butterflies. He has been trying super hard in phonics, recognising his phonemes and trying super hard in his writing. He has also been answering lots of questions in focussed sessions and being a kind and thoughtful friend.

**Squirrels.** Charlotte: All week Charlotte has, once again, shown us her enthusiasm for our learning in the classroom. She has been full of questions, keen to engage in discussions and has been loving all the facts she has found out. She particularly stood out in our Road Safety session where she impressed the officers with her knowledge of how to stay safe as a pedestrian on our roads. Keep showing us your love of learning, Charlotte.

**Frogs.** Ella: For giving her best effort during our lessons this week. Ella has worked extra hard at school and at home so she can have a greater understanding of our Maths work. I am very impressed by your resilience, effort and hard work! Keep up the great work!

**Mice.** Niamh: Niamh has been a real star in all aspects of English this week. She has diligently learned our talk for writing story and has been great at demonstrating the various actions. She has shone in our new phase five review lessons and Mrs MB has mentioned her effort and in guided reading. Well done, Niamh

**Hedgehogs.** OJ: OJ has been showing delightful manners this week, everything he asks is followed by a thank you or a please and he has been kind and considerate to his friend. Keep being amazing OJ!

**Moles.** Kaleb: Kaleb has had an amazing week, all Year 3 staff have commented on how much effort Kaleb has put in throughout the week. He has been more independent and shown a real enthusiasm in lessons. Well done, Kaleb!

"Together, we will make a difference."

**Rabbits.** Miles: Miles has had an amazing week in Maths this week. He has been trying hard to grasp the new methods we have been learning and has been asking for support when needed. He has used his independence skills to try and push his own knowledge too! Well done, Miles.

**Badgers.** Trinity S: Trinity is a superstar in class. she always approaches her work with a 'can do' attitude and had a go even when she finds it a bit tricky. This is a brilliant attitude to learning (and life) and it will take her far.

**Foxes.** Harry S: Harry is a super independent learner and always goes the extra mile with his work. He has produced some great writing this week in English and in history –imagining what it was like to be a soldier in the civil war as a way of explaining events. Great work!

**Kingfishers.** Alfie: Not only has Alfie had to concentrate on his own learning this week, but he's also taken the time to look after a new child, who has very limited English. Alfie has been patient, thoughtful and kind towards this child, and he thoroughly deserves to be Kingfishers star of the week. Well done, Alfie!

**Owls.** Rose: For helping her peers participating in class discussions.

**Kestrels.** Fran: For always fully participating in PSHE lessons, giving valid, well thought out answers. Well done!

**Sparrow Hawks.** Maria: Maria has been working hard since we got back to school. I am particularly impressed by the presentation of all her work. Her handwriting and general presentation is always meticulous and when she answers questions in comprehensions, she always gives a full detailed answer, going that extra mile to get the marks! Well done, Maria!
