## **STARS OF THE WEEK:**

2<sup>nd</sup> February 2024

**Bees.** Hugo: Hugo has had an amazing week this week! He has been so focused and has loved joining in with our phonics. He has been concentrating and has been a real role model to the other children on our carpet. We are so proud of you this week Hugo!

**Butterflies.** Boris: Boris is a fantastic member of Butterflies. He is focussed, committed and is always trying his best. He is excited to learn new topics and is always willing to answer questions and implement what he has learnt into his own child independent learning. Boris is always developing his own learning and is a polite and loved member of the class. You are a valued and loved Butterfly Boris. Well done!

**Squirrels.** Freddie: This week Freddie has been super helpful in Squirrels class. He has been helping to organise resources in the classroom, noticing when other children need help with their work and really showing us what a wonderful member of our class he is. What a brilliant Richard Bonington attitude he has been showing us! Well done, Freddie. Keep making us proud.

**Frogs.** Milan: For his amazing behaviour all week. Milan has been getting himself ready to learn at all times this week which has enabled him soak in the knowledge that he has been taught. Milan was outstanding in our Geography lesson and was able to explain to a special visitor what a map is, how it's used and why we have symbols. As well as this Milan has improved his independence this week by putting his wet suit on all by himself. Well done Milan on a fantastic week!

**Mice.** Cindy: Cindy has been working hard on her magnet eyes this week. Her magnet eyes have been following us around the classroom and helping her focus on listening and remembering. Well done, Cindy.

**Hedgehogs.** Penelope R: Penelope is such a superstar in the Hedgehog team, she never lets anything phase her. Recently I have been really impressed with her desire to show independence in everything she does. She listens to instructions and always wants to push herself. I love to see how proud she is of her achievements each day. She never lets something tricky get her down, she just tries and tries and tries!

**Moles.** Aydan: Aydan has demonstrated a positive attitude to learning in all subjects this week. He has shown an enthusiasm for learning, has contributed to class discussions and has been eager to answer questions. Aydan is growing in confidence and maturity. Well done, Aydan!

**"Together, we will make a difference."**

**Rabbits.** Prajwal: Prajwal has impressed me this week with his writing. We have been creating our own class stories, but he has put extra detail and used his own ideas to make our story even better! Well done.

**Badgers.** Maryam: Maryam really wants to learn and make progress. Her attitude will lead to her success.

**Foxes.** Freddie: For amazing resilience this week and perseverance particularly with a very tricky Maths lesson. He has also been working brilliantly in a group on his table. Keep it up Freddie!

**Kingfishers.** Kaysey: This week, Kaysey has demonstrated her ability to persevere with new and challenging concepts. This is particularly true in Maths, where Kaysey now understands how to multiply fractions by integers with greater confidence. Well done, Kaysey!

**Owls.** Emily: Emily has worked incredibly hard this week in all of her subjects especially in our English lessons! She always works incredibly hard and nothing ever seems to be tricky for Emily! She has been encouraging and supportive of our other students all week and is always up for helping others. Her commitment and determination every day is absolutely fantastic! Keep up the good work!!

**Kestrels.** Ros: Ros has been amazing in everything she has tried over this week. She has tackled challenges with determination and resilience even surprising herself with the results!

**Sparrow Hawks.** Jensen: Jensen has worked extremely hard in all our Y6 assessments. He always takes on board advice and applies it to his work, constantly striving to improve himself and achieve more. He is one of those children that every teacher wishes to have in their class and he should be thoroughly proud of all his efforts and accomplishments. Well done, Jensen!
