**Rabbits.** Hollie L: Hollie has really impressed me this week with her participation in class. She has joined in with every lesson, being brave, even when she isn't sure of the answer – What more could we ask for? Her knowledge of the Romans in increasing week and week and she is able to make links between lessons. Well done, Hollie!

"Together, we will make a difference."

**Badgers.** Mini: Since parents evening Mini has started using her phonics when trying to spell words and taking more responsibility for her writing. This is amazing!

**Foxes.** Lily: Lily works so hard and always tries her best in every lesson. Her RE work was really thoughtful this week and she showed her understanding of being respectful towards different religions and the importance of this. She is kind and thoughtful towards all her peers as well. She is a real superstar!

**Kingfishers.** Dylan: Dylan has demonstrated a great deal of resilience, persistence and creativity, particularly in Maths, where he has worked hard to tackle new learning and find solutions by addressing new challenges in creative ways. **Kestrels.** Ffion: Ffion is 'smashing' Maths at present. She has even surprised herself, when getting some of the trickier problems correct. She is showing determination and perseverance, working through questions systematically even though it may take her a little longer. She has also shown her creative mind by making a moving toy out of cardboard! Well done, Ffion.

**Sparrow Hawks.** Star: Star has had an incredible week. She took part in an after- school football match and Miss Dalling commented on her great attitude and unselfishness as a team player. She has also been attending some SATs booster classes and is always the first there-pencil in hand giving 101% through the whole session. Her focus and commitment to learning in class continues to impress us all. It has to be said that Star really is a true *star*!
