Head Teacher: Mrs Barbuti

STARS OF THE WEEK:

20th September 2024

Bees. Elle: She always has such a beautiful smile on her face and has such a great attitude towards her learning. Whenever, she needs to complete a task with an adult, she does so with a skip and with such great enthusiasm. Keep this fantastic effort up Elle. Well done!

Butterflies. Finlay: What a fantastic week you have had Finlay. You are shining like a superstar in phonics, and you are joining in during all our focussed groups. Seeing your lovely smiling face every day is just brilliant. You are doing a great job! Keep it up Finlay.

Squirrels. Sarya: Sarya has had such a fantastic week this week. She has come into school with a big smile on her face and has thrown herself into her learning. The thing that we have been most impressed with this week is Sarya's blending and reading in Phonics – it has been amazing, and we are all so proud! Keep it up Sarya!

Frogs. Harper: Harper has been a fantastic role model all week and she has shown a great attitude to her work, always wanting to do more. She has a positive, can-do attitude, and is very helpful to all of us in the classroom as she volunteers to help whenever she can. Thank you, Harper!

Mice. Madison: She has been doing lots of wonderful work this week and has been giving lots of positive contributions in all our lessons. Madison is always listening carefully and setting a good example. She has really stood out in phonics by trying so hard and remembering what she has learned. Well done, Madison.

Hedgehogs. Isobel: Isobel always comes into school ready to learn. She always has a positive attitude and is a brilliant role model. She has contributed some amazing ideas to our lessons this week. Well done, Isobel!

Moles. Mabel: Mabel has shown an excellent attitude to learning this week and has done some amazing writing in English. She always comes to school with a positive attitude and has helped me with lots of different jobs throughout the week. It has been a pleasure to have Mabel in the class.

Rabbits. Elodie: Elodie has had a fantastic week. She has come into class every day with a smile on her face, as well as showing she is ready for learning. Elodie has engaged with all the activities and has shown resilience. Excellent start Elodie.

"Together, we will make a difference."

Badgers. Miley: Miley has shown an awesome attitude to learning this week and has remembered our Talk for Writing text brilliantly. She is one of the leaders when retelling the text, who the rest of the class listen to and follow for guidance.

Foxes. Tia: For resilience getting into school by herself and being focused in lessons. Grayson for working hard in English giving good answers on Fronted adverbials.

Kingfishers. Abobaker: Abobaker's attitude to all aspects of his learning has been great this week. He always tries hard to earn his dojos and he made a wonderful bird's nest in forest school. Well done, Abobaker!

Owls. Charlie W: Charlie has made an amazing start to Year 5. He is reliable, resilient and SO hard working. Charlie always has his hand up and is a great asset to Owl class. Keep working hard Charlie!

Kestrels. Finley: Finley has impressed me this week in all areas but particularly with his work in English. Not only is he really trying hard with his cursive handwriting, but he has also demonstrated that he has a good understanding of language especially descriptive words and phrases. Well done, Finley.

Sparrow Hawks. Finley: Finley has made a fantastic start to his time in Year 6. He has impressed me this week with his great descriptive writing and his general interest in our World War II topic, bringing in some very precious artefacts from home to share with the class.
