Head Teacher: Mrs Barbuti

STARS OF THE WEEK:

6th December 2024

Bees. Bobby: Bobby has been working extra hard all week and has been doing some super listening. You have been trying extra hard in all the Nativity practices. Well done, Bobby!

Butterflies. Romie: What a fantastic week you have had Romie. You have been a shining star in the Nativity and you have been trying so hard to listen to instructions and sit sensibly and quietly on the carpet. Well done Romie you have had a great week!

Squirrels. Autumn-Rose: Autumn-Rose has been brilliant this week. She has been working extremely hard, especially in Maths. I have been most impressed with her kind and helpful attitude in the classroom this week. She has been able to help me with lots of jobs and also to look after and play with other children. Thank you and well done, Autumn-Rose!

Frogs. Izzie: Izzie has been fantastic all week! She has been super focused in her writing, making sure her sentences have everything they need to make sense. In Maths she has been a subtraction superstar and worked very hard to ensure her number sentences are always correct. In phonics she has been spotting all the digraphs, even our new split digraphs. I have been so impressed with her effort and hard work. Well done, Izzie!

Mice. Tartia: Tartia always puts in 100% effort. She has learned her lines for the play, she's making great progress in Maths and is working super hard on her handwriting. We are so pleased to have her in our class, she sets a fantastic example. Well done, Tartia.

Hedgehogs. Blakely: Blakely is always in the right place at the right time doing the right thing. She has recently been trying really hard with her writing and is a great role model to her peers. Well done, Blakely!

Moles. Kobi: Kobi's behaviour is always excellent but this week he's been working hard and shown lots of resilience in lessons. He has done some excellent writing this week and has worked really hard on his handwriting. Well done, Kobi!

Rabbits. Rowan: We are so proud of his effort this week in the classroom. He has participated and shared ideas with his peers. His engagement was excellent at the Pantomime, and he has also been looking out for his peers. Keep it up Rowan!

Badgers. Oliver E: Oliver has been an absolute superstar this week – especially, in his arithmetic Maths test. He is listening and focusing so brilliantly. Well done Oliver!

"Together, we will make a difference."

Foxes. Grayson: For excellent effort in all his assessments. Brilliant focus and has shown how much he has improved across all subjects. Well done, Grayson.

Kingfishers: Maryam: Maryam's mathematical understanding has really improved! She is enthusiastic and is always keen to improve and ask for help when needed. Well done, Maryam!

Owls. Amiya: Amiya has really impressed me this week with being such a kind friend. She always looks after everyone in the class and is such a helpful member of Owl class. Amiya has also amazed me with her hard-working nature this week. You are a star!

Kestrels. Gio: Gio has had a fantastic week. He has engaged well with the science we have been learning and even shown enthusiasm for completing assessments! Well done Gio, keep this up.

Sparrowhawks. Aviana: This week has been assessment week. All the children have given it their all, and we are proud of them, however both Mrs Barlow and I have been especially impressed with Aviana who has shown great composure and absolutely smashed it!
