Head Teacher: Mrs Barbuti

STARS OF THE WEEK:

28th February 2025

Bees. Kyle: Over the last few weeks, Kyle has been learning to play with different children in the classroom. He has made good friends with several of the other children, and they have been busy creating wonderful patterns, buildings and worlds together. It has been brilliant to see him communicating and sharing with his new friends.

Butterflies. Jack: This week Jack has been trying super hard with is concentrating and joining in during group focussed sessions. He has particularly impressed us during his music time, making up new songs and showing of his great dance moves.

Squirrels. Freya: Freya could be star every week and this week she has shown how brilliant she is again! She has worked really hard in all lessons and has produced some amazing writing. She is also a lovely friend and is so kind and helpful around the classroom. Well done, Freya – keep it up!

Frogs. Ivy: Ivy is always a super star in the frogs classroom! She is always working hard, pushing herself to do a little bit more and is becoming more and more independent every day. Ivy has really impressed me with her Maths this week and I have been so proud to see that she is challenging herself by going above and beyond what is asked of her in any lesson. Well done, Ivy!

Mice. Mozdalafa: Mozdalafa is always working hard, trying hard and doing her best! She contributes in lessons, shares her ideas with her partner and is a superstar. Well done Mozdalafa!

Hedgehogs. Ada: Ada has had an amazing first week back. She has been trying hard in everything that she has been doing and has been contributing some great ideas in lesson. Well done, Ada!

Moles. Maryam: Maryam has had a fantastic first week back. She works hard and continues to develop and improve her knowledge as the year progresses. Furthermore, she has modelled excellent behaviour and has been making good choices. Well done, Maryam!

Rabbits. Ollie: Ollie has had a fantastic first week back. He has shown us his independence skills with his work, and we are so proud of his efforts this week in English. Keep it up Ollie!

Badgers. Tom F: Tom continues to develop and improve as the year goes on. His enthusiasm for lessons and interest in subjects is superb. Keep climbing Tom!

"Together, we will make a difference."

Foxes. Adanna: Adanna has been a model to the other members of the class and is always following the school rules. She has really tried hard with her work and its always neatly presented. Well done, Adanna!

Kingfishers. Charlie S: Charlie is a kind, considerate and caring child, who is always ready to support others when needed. This was particularly evident in our reading buddies session this week, where Charlie guided a Year 1 child so well through their story. Well done, Charlie!

Owls. Millie: Millie is an 'always' member of our class. She is always trying her best and always trying to follow our school rules. She has caught our eye several times this week. Firstly, for being so resilient when working on equivalent fractions and decimals in Maths. She also made us incredibly proud on our trip this week with her exemplary behaviour. Well done, Millie!

Kestrels. Lewis W: Lewis deserves a shout out this week, as he expressed his views and opinions, whilst in role, in a clear and formal manner during our class debate about whether mobile phones should be allowed in schools. Well done, Lewis.

Sparrowhawks. Joey: Joey has shone in all curriculum areas. He is focused and hard-working, produced some great work this week. In our English lessons, where we have been looking at discussion texts, he has given his point of view on several occasions and smashed all the decimals work in maths. Well done Joey- you really deserve it this week!
