Head Teacher: Mrs Barbuti

STARS OF THE WEEK:

6th June 2025

Bees. Luna-Rose: This week you have impressed us with your writing and your reading. You are brilliant at reading tricky words! It has been wonderful getting to know you and seeing you play with children you already know and new friends. You have also been trying hard to remember all the new routines. What a great start to your time at Richard Bonington. Well done.

Butterflies. Indy: What a great first week back you have had. We are so proud of you for starting to blend in your head, always focussing in phonics and trying extra hard in your guided reading sessions. You are such a valuable member of our class and are one of the best to tidy up and make sure the classroom is looking extra tidy!

Squirrels. Jaxon: Jaxon has been an absolute superstar this week. He has blown me away in phonics with his reading and writing. He is confidently reading lots more words and is applying this every day in his writing. It's amazing to see how well he is doing. Well done, Jaxon!

Frogs. Theo: Theo has tried really hard this week and has participated in every lesson. He has tried to change from saying "i can't do it" to "i can't do it yet". He has shown lots of effort in phonics and maths and has been a great friend to others. Well done, Theo!

Mice. Zak: Well done Zak you have been trying hard with your writing this week and your ideas. You have also been doing some fantastic maths and showing a positive attitude to your learning - keep up the good work

Hedgehogs. Chikamso: Chikamso has had great first week back. He has been so persistent with his writing and has been using lots of interesting words in his work. We are so proud of you. Keep up the good work!

Moles. Eva: This week Eva has been working really hard on her Maths. Her behaviour has been excellent, and she has remained persistent when she has met challenges. She has come back after half term with an amazing attitude and her effort is really showing. Well done, Eva!

Rabbits. Hattie: Hattie comes into the classroom with the right attitude for learning every day. She always listens to adults, as well as her peers. Her confidence is growing to speak out in front of others, and we are proud of all the effort she puts in. Keep it up Hattie!

"Together, we will make a difference."

Badgers. Hollie: Hollie has blown me away with her times tables progress! She has worked incredibly hard at learning them and the results speak for themselves. Well done, Hollie!

Foxes. Jacob: Jacob has returned from half term with a bang! He has his hand up to answer questions, is pushing himself to improve his work and is growing in confidence day by day! Keep it up Jacob.

Kingfishers. Harry: Harry performed his role as an Ancient Greek god, with enthusiasm and expression. His attitude to all aspects of his learning is exceptional. He always works hard! Well done, Harry!

Owls. Reus: Reus has had another brilliant week! This week he really took centre stage and was phenomenal in his speaking roles in our Greek assembly. Reus has an amazing can-do attitude and will try anything. Keep working hard Reus, you are fabulous!

Kestrels. Eliana: Eliana is my star of the week for the enthusiasm and interest shown in our science lesson this week when we learnt all about micro-organisms. She then went home and researched specific types of bacteria and fungi, producing two informative posters full of facts.

Sparrowhawks. Joshua: During our singing rehearsals for our Y6 performance, Josh has not only impressed me, but also Mrs Bailey, with his fantastic focus when learning the new songs and his great singing! Well done, Josh- this bodes well for our upcoming performance in July.
