Head Teacher: Mrs Barbuti

STARS OF THE WEEK:

27th June 2025

Bees. Esmae: This week Esmae has been fabulous on so many ways. She has been amazing us with her phonics, trying so hard with her patterns in maths and has been doing lots of great tidying up. Clearly the sunshine has sprinkled her with that extra bit of magic. Well done, Esmae.

Butterflies. Millie: Millie, you have had a fantastic week. You have been concentrating so hard in phonics, and this is really showing in your writing. You are so confident to read and write a range of words and you love your Guided Reading sessions. Well done, Millie. Keep up the great work.

Squirrels. Boris: Boris has had a great week this week. He has worked really hard in all lessons and has challenged himself in his writing. He has also been a good friend to others and has been great at helping around the classroom. Well done, Boris!

Frogs. Fifi: Fifi is a shining star in Frogs class. She is always doing the right thing, making good choices, being a fantastic friend and tries her best in everything we do in school. She is a great role model to others and a great help to me. She always works really hard and puts 100% into her work and I am very proud of her. Well done, Fifi!

Mice. Isaac: This term Isaac has been working so hard and has really impressed us. He is answering more questions in class, contributing ideas and producing some lovely work. He sets a good example to the whole class. Well done, Isaac!

Hedgehogs. Adelyn: Adelyn is an always child. She is always trying her best, always doing the right thing and is a brilliant example to the rest of her class. She has been trying incredibly hard with her English, and we have seen such an improvement this term. Well done, Adelyn!

Moles. Samir: Samir has had an amazing week this week. He has really worked hard on improving his behaviour and has shown some good listening in lessons. He has also been trying really hard to finish his work and did some excellent work in Geography this week. Well done, Samir!

Rabbits. Brodie: Brodie has really worked hard this week at listening to the input and sharing his ideas with others. We are so impressed with the effort that he puts into all his learning. Keep focused Brodie, we are proud of you

"Together, we will make a difference."

Badgers. Olivia: I've been really impressed with how well Olivia has worked over this last week. We have been working on assessments, and Olivia has worked her socks off! Well done, Olivia!

Foxes. Poppy: Poppy is a superstar! She is always ready to learn, waiting to find out what we are doing next and always tries her best! A great asset to Foxes class!

Kingfishers. Rosa: Rosa has worked so hard to improve her writing this week. She's demonstrated a great understanding of relative clauses, and her spelling has really improved! Well done, Rosa!

Owls. Blake: Blake is always an exemplary member of Owl class but this week he has really wowed me. Firstly, he is an outstanding mathematician and has continually challenged himself this week with his multiplication of larger numbers. He was also spotted being a super supportive partner during a class discussion and his kind and caring nature really shone through. Well Done, Blake!

Kestrels. Jess: Jess has shown us her great acting skills in our Y6 play rehearsal. She has learnt all her lines and cues and done a fantastic job- amazing work Jess!

Sparrowhawks. Rose: Rose has impressed us with her versatility in the Y6 play. She has taken on several different roles to help us out and shown a real commitment to learning her lines and helping out where it is needed! Well done, Rose- you are a star!
