Head Teacher: Mrs Barbuti

STARS OF THE WEEK:

4th July 2025

Bees. Bobby: Every week Bobby impresses us with his attention, careful thinking and enthusiasm for our learning (and could therefore be chosen for star of the week) but, over the last couple of weeks, we have been really pleased to see his improved resilience. He has been asking questions when he has been unsure about things and having a go, even if he doesn't feel like it. This is brilliant to see, and we are feeling very proud of him. Well done, Bobby.

Butterflies. Darragh: Darragh has had an amazing week. She has been working so hard during her morning work and has been writing some amazing sentences. She always listens, works hard and strives to always do her best. Well done, Darragh.

Squirrels. Aisha: Aisha has been working really hard during learning time this week. She has been working hard on her letter formation and her handwriting has come on hugely. She has also been great during phonics. Well done, Aisha!

Frogs. Amayra: Amayra is always a super star and doing the right thing. She has done amazing with her art this week and tried really hard in Maths, English and Phonics. I am really proud of you. Keep going! Well done!

Mice. Ahmad-Shah: He has made such fantastic progress with his writing this year. We are very proud of his efforts and achievements. Keep it up!

Hedgehogs. Blakely: Blakely has been trying really hard in English lessons this week. She has been putting her hand up lots and has been contributing some amazing ideas. Well done, Blakely!

Moles. Ken. Ken has worked really hard this week on his assessments and has come into school with a positive attitude and ready to learn. He adapts well to change and continues to do the right thing in class. Well done Ken!

Rabbits. Bella: Bella has worked really hard on her concentration skills during assessments this week. We are proud of her attitude towards English this week. Keep up with this focus Bella!

Badgers. Prajwal: Prajwal is somebody who I can always rely on to try hard, give their best and show the positive values for our ALWAYS code. His attitude to learning is superb and he could easily be my 'star of the week' most weeks. Thank you Prajwal.

"Together, we will make a difference."

Foxes. Kaleb: This week Kaleb has been spotted by different grownups within our class for being helpful and kind towards others. He has also been trying his best with his work too! Keep it up Kaleb!

Kingfishers. Evelyn: Evelyn's 'can do' attitude has thoroughly impressed us throughout the year. She ALWAYS gives her best effort and perseveres, even when she finds a task more challenging. Evelyn is a particularly effective 'contributor' to discussions and is always ready to share her thoughts and ideas in class discussions. Well done, Evelyn!

Owls. Harry: Harry is always an amazing asset to Owl class. He is an absolute always child and he tries so hard in everything he does. This week he has wowed me during assessment week with his resilience and hard work. Well done Harry you superstar!

Kestrels. Riley: Riley has been amazing this week, helping me out with making new puppet heads due to a few collapsing! He was a super star, just getting on with the papier-mache and wallpaper paste - most of which ended up on him! Thank you, Riley.

Sparrowhawks. Austin: I have chosen Austin this week because he has been a super star, filling in for all the children away this week in the year 6 performance. He has adapted brilliantly to each part and is definitely a future star of stage and screen.
